

During our October 2016 union meeting, the body voted to start an organizing program. We will be interviewing applicants for the position on October 26, 2016. Any interested parties should submit a résumé to Local 350 by Tuesday October 25, 2016 before 4:30 pm.

The position of U.A. Local 350 Organizer requires organizing unrepresented pipe trades workers and non-signatory contractors into Local 350 from within its jurisdictions and surrounding areas. You will face many challenges in accomplishing these goals. You will be working long hours, many irregular hours, evenings and weekends and often will be away from home several nights a week. You must be able to speak in front of large or small groups of workers, contractors and at conventions. You will be met with rejection, disappointment and often hostility in most areas you attempt to organize. You will, with hard work have successes but they are often few and far between and very short lived. You will need to understand and be able to articulate every aspect of your union, your contract, health & retirement plans and local union bylaws.

You must have minimal computer skills including the use of Microsoft Word, Excel and Power Point. You must also be able to send and receive e-mails and do simple research using the internet.
